The school remembered Patriot's Day on September 11 by wearing red, white and blue. Teachers shared stories of events that occurred on 9/11. Radio JMMS has begun. First quarter progress reports have been mailed home and the first dance of the school year is being held this week.

Mesquite High School: Mesquite hosted a Back to School Night barbecue that was well attended. The ASB has been busy hosting several events for students. The student body participated in the Parade of 1000 Flags. Many of the seniors have signed up to attend the Cerro Coso Community College Career Day. The second credit check of the year is next week. This is a way for students to keep track of credits earned toward graduation. Mesquite ASB will be holding a fundraising Rummage Sale on October 4 and 5. Donations are currently being accepted.

Burroughs High School: The ASB has been hard at work pumping up school spirit for the 2013-14 school year. The BHS carnival will be held tomorrow and that spirit will definitely show. SUPERINTENDENT’S RECOMMENDATION: It is recommended that the board appoint the individuals named above to the Sierra Sands Unified School District Career Technical Advisory Committee for the 2013-14 school year.

6. EDUCATIONAL ADMINISTRATION

6.2 Report to the Board Regarding Grant Award Notification for the Federal Military-Connected Local Education Agencies for Academic and Support Programs (MCASP)

BACKGROUND INFORMATION: Sierra Sands Unified School District continues to actively search out and apply for grants that support district goals. The United States Department of Defense-Education Agency program provides funding to support Military-Connected schools. These applications are competitive and awarded to successful grant applicants. Sierra Sands Unified School District has 41% of its students military connected (active, reserve and/or DOD) and is therefore eligible for these grants.

CURRENT CONSIDERATIONS: An application for the 2013 Military-Connected Local Education Agencies for Academic and Support Programs (MCASP) entitled “Math and Science Together Creating 21st Century Learners” was submitted to DoDEA on May 31, 2013. On September 25, 2013 the district was notified that it was a successful grantee out of the forty-one grants awarded nationally in 2013. Grant funds will provide funding for a variety of services and activities including:

- Purchase of technology for student use
- Professional Development for staff and support for student learning
- Three “District Project Teachers-Technology” positions
- Outside evaluation services

The measurable goals of this project are to increase student achievement in math as measured in 5th grade, 7th grade, and enrollment and success in Algebra. Strategies used involve access to technology (Chromebooks), intensive professional development and coaching, and instruction in digital literacy skills for both teachers and students.

Special appreciation for assistance in the completion of this grant goes to Deborah Ernst of the Fleet and Family Services Center (NAWCWD), the district’s three project teachers – Julie Frisbee, Teri Switzer, and Jennifer Williams and Burroughs School Librarian, Sharlene Paxton.

FINANCIAL CONSIDERATIONS:

This grant provides \$1,900,000 over a three year period.

Personnel and Benefits= \$757,364

Travel= \$29,000

Equipment= \$892,850

Supplies= \$36,205

Contracts/ Software Licenses= \$184,581

SUPERINTENDENT’S RECOMMENDATION:

This report is provided for informational purposes only and does not require board action.

6.3 Ridgecrest Charter School: Receipt of Charter Renewal Petition

BACKGROUND INFORMATION: On or about October 1, 2013, petitioners for the Ridgecrest Charter School submitted a charter renewal petition to the Sierra Sands Unified School District (“District”) offices seeking to renew its charter for the term July 1, 2014 through June 30, 2019.

CURRENT CONSIDERATIONS: Education Code section 47607 provides that charter renewals are governed by the standards and criteria in Education Code section 47605. Education Code section 47605(b) sets forth the process for the consideration of a charter school petition and provides that within 30 days of the governing board’s receipt of a charter petition, the board must hold a public hearing on the provisions of the charter proposal, at which time the board shall consider the level of support for the petition by the teachers employed by the district, other employees of the district, and parents. The statute further provides that the governing board must make a determination whether to grant or deny the charter petition within 60 days of its receipt of the petition.

To commence the statutory review period under Education Code section 47605(b), the Board of Education must receive the Ridgecrest Charter School charter renewal petition.

FINANCIAL IMPLICATIONS: None at this time.

SUPERINTENDENT’S RECOMMENDATION: The Superintendent recommends that the Board of Education receive the Ridgecrest Charter School charter renewal petition in order to commence the statutory review period under Education Code section 47605(b).

7. POLICY DEVELOPMENT AND REVIEW

7.1 Approval of Revisions to Board Policy and Administrative Regulations-5148, Child Care and Development

BACKGROUND INFORMATION: The Assistant Superintendent of Curriculum and Instruction has reviewed selected board policies and administrative regulations as a result of recommendations for revisions from the California School Board Association (CSBA) policy service. All proposed policy and administrative regulation revisions reflect recent changes in applicable state and/or federal laws and regulations.

CURRENT CONSIDERATIONS: Board Policy and Administrative Regulations-5148, Child Care and Development, was last updated in August 2000. This policy has been updated and revised to reflect legal requirements and recent changes in new laws addressing facilities for child care and development services and revises material on program evaluation to more directly reflect state requirements.

FINANCIAL IMPLICATIONS: None.

SUPERINTENDENT'S RECOMMENDATION: The superintendent's recommendation is to approve the changes to Board Policy as presented without a second reading since the policy reflects mandated updates. Administrative regulations are included for information but do not require board approval.

Staffing Ratios

The district's child care and development program shall maintain at least the minimum adult-child and teacher-child ratios specified in 5 CCR 18290-18292 based on the ages of the children served.

Admissions-Enrollment

First priority for enrollment shall be given to neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, upon written referral from a legal, medical, or social services agency. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. Disenrollment

When necessary due to a reduction in state reimbursements, families shall be disenrolled from subsidized child care and development services in the following order: (Education Code 8263.3)

- 1. Families with the highest income in relation to family size shall be disenrolled first.*
- 2. If two or more families have the same income ranking, children without disabilities who have been enrolled in child care services the longest shall be disenrolled first. After all children without disabilities have been disenrolled, children with disabilities shall be disenrolled, with those who have been enrolled in child care services the longest being disenrolled first.*
- 3. Families whose children are receiving child protective services or are at risk of neglect, abuse, or exploitation, regardless of family income, shall be disenrolled last.*

Child Care And Development

Whenever the district issues a notice to the families who will be disenrolled due to funding reduction, a parent/guardian may appeal the decision only on the grounds that the factors used to determine the family's disenrollment are incorrect. He/she shall submit the appeal within 14 calendar days of receipt of the notice, or within 19 calendar days if the notice was mailed. The Superintendent or designee shall review the appeal and notify the parent/guardian, in writing, of the district's final decision within 10 calendar days of receiving the appeal request. (Education Code 8239, 8250, 8263, 8447; 5 CCR 18108, 18109, 18110)

Families receiving services on the basis of having a child who is at risk of abuse, neglect, or exploitation may be exempt from these fees for up to three months. Families receiving services on the basis of having a child receiving child protective services, or having a certification by a county child welfare agency that child care services continue to be necessary, may be exempt from these fees for up to 12 months. The cumulative period of exemption from these fees for these families shall not exceed 12 months. (Education Code 8263)

Fees shall be collected prior to providing services and shall be considered delinquent after seven days from the date that fees are due. Parents/guardians shall be notified in the event that fees are delinquent. If a reasonable plan for payment of the delinquent fees has not been provided by the parents/guardians, services shall be terminated if all delinquent fees are not paid within two weeks of such notification. Parents/guardians shall receive a copy of the district's regulations regarding fee collection at the time of initial enrollment into the program. (5 CCR 18114, 18115)

8.3 Adoption of Resolution #8 1314, Reduction of Classified Service

BACKGROUND INFORMATION: The ongoing fiscal crisis faced by the State of California is a major concern for school districts and as a result, districts are continuing to look for and find ways to manage and maintain fiscal solvency. Staff continues to look at all options available to them in addressing the needs of the district considering the ongoing budget crisis.

CURRENT CONSIDERATIONS: The proposed reduction was a pilot program that went into effect November 16, 2012, to assist in providing lunch to students with special needs at lunch time. It has been determined that students are not taking advantage of the program, and it is no longer needed.

California Education Code sections 45101, 45114, 45117, and 45308 authorize a school district to layoff classified employees due to a lack of work and/or lack of funds upon sixty (60) days prior notice. Resolution #08 1314 calling for reduction of classified services for the 2013-14 school year is presented for adoption due to lack of work. The reduction will become effective December 16, 2013.

FINANCIAL IMPLICATIONS: The district estimates that it may be able to save as much as \$7,783 with the reduction of the position identified in Resolution #8 1314.

SUPERINTENDENT'S RECOMMENDATION: It is recommended that the Board of Education adopt Resolution #8 1314 reducing classified service effective December 16, 2013, as presented.

BEFORE THE BOARD OF EDUCATION
OF THE SIERRA SANDS UNIFIED SCHOOL DISTRICT

RESOLUTION #8 1314

WHEREAS, Education Code sections 45101, 45114, 45117 and 45308 authorize the district to layoff classified employees for lack of work and/or lack of funds upon sixty (60) days prior notice; and

WHEREAS due to lack of work and funding, certain classified services now being provided by the district must be reduced or eliminated effective December 16, 2013;

NOW, THEREFORE, BE IT RESOLVED that as of the 16th day of December, 2013, the following positions be reduced or eliminated:

Food Service Assistant I One 2-hour, eliminated (Burroughs)

BE IT FURTHER RESOLVED that the District Superintendent be authorized and directed to give notice of reduction and termination of employment to the affected employees of this district pursuant to district rules and regulations and applicable provisions of the Education Code not later than sixty (60) days prior to the effective date of such reduction or discontinuance as set forth above.

BE IT FURTHER RESOLVED that the District Superintendent be authorized and directed to take any other actions necessary to effectuate the intent of this resolution.

8.4 Agreement with the City of Ridgecrest for Additional Onsite Police Services for the 2013-16 School Years

BACKGROUND INFORMATION: In December 1994, the superintendent of the Sierra Sands Unified School District began discussions with the school board regarding a program between the district and the City of Ridgecrest Police Department to assign a full-time officer to serve in the three Ridgecrest area secondary schools. In March 1995, a proposal was brought before both the Ridgecrest City Council and the Sierra Sands Board of Education to establish a cooperative for a trial period of 18 months by which a police office would be almost exclusively assigned to the secondary schools located in Ridgecrest. The total expenses related to this assignment were to be equally shared by both agencies. The proposal was approved. The agreement has been renewed and extended on several occasions.

CURRENT CONSIDERATIONS: The School Resource Officer (SRO) has become an important part of the commitment of the Sierra Sands Unified School District and the City of Ridgecrest to keep campuses safe for district students. The Ridgecrest Police Department has applied for and has received a grant for an additional SRO to serve our schools for a three year period. With the addition of a new SRO, the Ridgecrest Police Department will continue to work closely with the administration at all of our Sierra Sands schools in providing law enforcement, student counseling, and law-related education. This agreement will provide additional collaboration between the Ridgecrest Police Department and the district creating positive interactions between the students of Sierra Sands Unified School District and law enforcement. This new officer will also be involved with Teen Court and provide assistance with drug awareness and counseling. This partnership enables the district to meet state and federal mandates for community partnerships in maintaining safe and drug-free communities.

FINANCIAL IMPLICATIONS: The district agrees to pay one-half of the actual cost incurred by the city in employing the officer for each year, which will be approximately \$41,666.00 per year over the next three years. This will be funded with the unrestricted general fund.

SUPERINTENDENT'S RECOMMENDATION: It is recommended that the board approve the agreement with the City of Ridgecrest to provide an additional SRO for onsite police services for the 2013-16 school years as presented.

9. GENERAL ADMINISTRATION

9.1 Gifts to the District

CURRENT CONSIDERATIONS: The following donations have been received: Wal-Mart donated \$1,000 by giving 20 gifts cards worth \$50 each to be used by Inyokern Elementary School teachers for classroom and educational supplies. Wal-Mart also donated miscellaneous school supplies in the form of notebooks, binders, pencil boxes, folders, composition books, pens, dry erase markers, staplers, and scissors to Inyokern Elementary School with an estimated value of \$2,000 for teacher and student use. Lenny DeAngelis on behalf of the Rotary Club donated \$250 to Inyokern Elementary School for teacher supplies for student use. Susan Prazak donated a Conn E flat/F French Horn with an estimated value of \$2,000 to the Burroughs High School music department. Steve and Sandra Davis donated a Yamaha Clavinova Electric Piano with an estimated value of \$1,000 to the Burroughs High School music department.

FINANCIAL IMPLICATIONS: Donations provide support to the district and have a positive financial impact.

SUPERINTENDENT'S RECOMMENDATION: Accept the gifts as described and send appropriate letter of appreciation.

- 9.2 Report to the Board: Nature and Resolution of Complaints with Regard to Deficiencies Related to Instructional Materials, Emergency or Urgent Facilities Conditions that Pose a Threat to the Health and Safety of Pupils or Staff, Teacher Vacancy or Misassignment, and Provision of Intensive Instruction and Services to Students Who Did Not Pass the California High School Exit Examination (CAHSEE) by the End of Grade 12, as Required by the Williams Act
-

BACKGROUND INFORMATION: California Education Code 35186 specifies that a school district shall report summarized data on the nature and resolution of all complaints on a quarterly basis to the county superintendent of schools and the governing board of the school district. The summaries shall be publicly reported on a quarterly basis at a regularly scheduled meeting of the governing board of the school district. The report shall include the number of complaints by general subject area with the number of resolved and unresolved complaints. The complaints and written responses shall be available as public records.

This procedure is intended to address all of the following:

(1) A complaint related to instructional materials as follows:

(A) A pupil, including an English learner, does not have standards-aligned textbooks or instructional materials or state adopted or district adopted textbooks or other required instructional material to use in class.

(B) A pupil does not have access to instructional materials to use at home or after school in order to complete required homework assignments.

(C) Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.

(2) A complaint related to teacher vacancy or misassignment as follows:

(A) A semester begins and a certificated teacher is not assigned to teach the class.

(B) A teacher who lacks credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learner pupils in the class. This subparagraph does not relieve a school district from complying with state or federal law regarding teachers of English learners.

(C) A teacher is assigned to teach a class for which the teacher lacks subject matter competency.

(3) A complaint related to the condition of facilities that pose an emergency or urgent threat to the health or safety of pupils or staff as defined in paragraph (1) of subdivision (c) of Section 17592.72 and any other emergency conditions the school district determines appropriate.

(4) A complaint related to provision of intensive instruction and services to students who did not pass the California High School Exit Examination (CAHSEE) by the end of grade 12.

CURRENT CONSIDERATIONS: There have been no complaints filed with the school district between July 1, 2013 and September 30, 2013 in any of the designated areas.

FINANCIAL CONSIDERATION: None.

SUPERINTENDENT'S RECOMMENDATION: This report is for informational purposes only. A copy of this report will be forwarded to the Kern County Superintendent of Schools as required by state law.

10.1 Authorization to Contract with Abateco for Remediation of Material Located in the
Parker Performing Arts Center at Burroughs High School

BACKGROUND INFORMATION: Sierra Sands Unified School District has been working with the Siemens Corporation on a variety of issues related to the District HVAC System. It is anticipated that a new chiller will be installed in the Parker Performing Arts Center at Sherman E. Burroughs High School.

CURRENT CONSIDERATION: In preparation for the installation of the new chiller in the Parker Performing Arts Center, the District reviewed survey information which indicated that abatement of insulation material on the pipes located in the machine room in the Parker Performing Arts Center would be required. This is due to the fact that a requirement of the project would be removal of the existing pipes and in so doing, the insulation material would be disturbed and therefore, abatement of that material would be required. The District has used ABATECO for many such projects, found them to be reliable and expedient and wishes to contract for their services for this effort.

FINANCIAL IMPACT: It is estimated that the cost for this effort will not exceed \$11,800.00. Due to the schedule associated with the installation of the new chiller, the District wishes to authorize ABATECO to begin as soon as possible so as to not impact the chiller project. An appropriate funding source would be IKSFA.

SUPERINTENDENTS RECOMMENDATION: It is respectfully requested that the Board authorize staff to contract with ABATECO to perform the abatement services required in the Parker Performing Arts Center at Burroughs High School as soon as possible. Contract not to exceed \$11,800.00

10. CONSTRUCTION ADMINISTRATION

10.2 Approval of Resolution #9 1314 Regarding the Availability of State Matching School Facility Funds Associated with the Modernization of Sherman E. Burroughs High School and the Construction of Murray Middle School

BACKGROUND INFORMATION: Sierra Sands Unified School District has been able to participate in the State School Facility Program for many years and plans to continue to do so both in connection with its two Department of Defense School Construction and Modernization Projects at Sherman E. Burroughs High School and Murray Middle School. Within the last year, funding for the program has been depleted at the state level. The State responded to this situation by creating a list of unfunded school facility projects. While there is speculation that a school construction bond will be on the June ballot, there is no certainty at this time, whether such a funding mechanism will actually be on the ballot and less certainty as to its passage. Therefore, the State has initiated the requirement that LEA's contemplating school construction projects enact the attached Board Resolution acknowledging that fact. Additionally, the resolution states that the Board understands that the parameters around such funding may change if and when the funding is made available.

CURRENT CONSIDERATION: Application for State Matching funds has already been made for the previous project work at Burroughs High School and that project is on the unfunded list. Going forward, the District plans to make application for State Matching Funds for both DOD School Facility projects. Due to the current funding situation, the State Allocation Board requires that all applications for State Matching funds be accompanied by the attached resolution. As the District continues its initiatives related to its DOD projects, it is appropriate that the attached resolution be passed by the Board. The signed resolution will accompany District applications for State Matching funds. The resolution indicates that the Board is aware that there are no State funds available at this time. This resolution acknowledges that the Sierra Sands Unified School District Board is aware of that fact and that may still be the situation when the District submits its application to request State Matching funds.

FINANCIAL IMPACT: To be determined. If the matching funding is not forthcoming from the State, the District will rely on its alternative method of funding for the projects.

SUPERINTENDENTS RECOMMENDATION: It is respectfully requested that the Board approve Resolution #9 1314, as presented.

RESOLUTION #9 1314

WHEREAS, the District acknowledges that the remaining School Facility Program bond authority is currently exhausted for the funds being requested on this application;

WHEREAS, the District acknowledges that the State of California is not expected nor obligated to provide funding for the project and the acceptance of the application does not provide a guarantee of future funding;

WHEREAS, the District acknowledges that any potential future State bond measures for the School Facility Program may not provide funds for the application being submitted;

WHEREAS, the District acknowledges that criteria (including, but not limited to, funding, qualifications, and eligibility) under a future State school facilities program may be substantially different than the current School Facility Program. The district's application may be returned;

WHEREAS, the District acknowledges that they are electing to commence any pre-construction or construction activities at the district's discretion and that the State is not responsible for any pre-construction or construction activities.

FINANCIAL IMPLICATIONS: None. The district is reimbursed at a flat rate per student, which will cover all services provided.

SUPERINTENDENT'S RECOMMENDATION: It is recommended that the board approve the student teaching agreement with Western Governors University, as presented.

Student Teaching Agreement

This Student Teaching Agreement (the “Agreement”) is entered into this 24th day of September, 2013 (“Effective Date”) by and between Western Governors University, a Utah non-profit corporation and a regionally accredited institution of higher education (“WGU”), and Sierra Sands Unified School District (“District”).

Article 1: Recitals

A. WGU is regionally accredited by the Northwest Association of Schools and Colleges and Universities. The WGU Teacher Education programs are further accredited by the National Council for the Accreditation of Teacher Education (NCATE).

B. WGU conducts teacher training programs leading to degrees and desires to obtain student teaching experiences for the teacher candidates enrolled in its educational programs; and

C. The District recognizes the need for and desires to aid in the educational development of student teachers and is willing to make its premises available for such purposes and, further, wishes to host Teacher Candidates in its schools.

Agreement

NOW THEREFORE, in consideration of the foregoing premises, the mutual covenants and agreements set forth herein, and other good and valuable consideration, WGU and the District agree as follows:

Article 2: Definitions

2.1. “Teacher Candidate” shall refer to a student enrolled in a program at WGU which leads to an education credential.

2.2. “Host Teacher” shall refer to an employee of the District who is the Teacher of Record within the classroom where the Teacher Candidate is assigned. Host Teachers may or may not be a Clinical Supervisor.

2.3. “Clinical Supervisor” shall refer to a present or former employee of the District, retired educator, or any other individual meeting the criteria of ‘Supervisor’ established by WGU for this position, and engaged by WGU or the District to supervise Teacher Candidate progress. 3.2. Access for Clinical Supervisor. The District shall allow the Clinical Supervisor on-going access to the host school and classroom for the specific purpose of observing the Teacher Candidate.

3.3. Right to Accept or Terminate. The District may refuse to accept, or may terminate, any Teacher Candidate assigned to the District for Student Teaching based upon its good faith determination that the Teacher Candidate is not meeting performance standards or is otherwise deemed unacceptable to the District. Notices of such decisions shall be provided to WGU in writing and shall state the reasons for such decision. Upon receipt of notification from the District, WGU shall promptly terminate the Teacher Candidate's assignment to the District. In the event the WGU does not agree with the District's refusal to accept a Teacher Candidate, it shall promptly (in any event not later than five working days after receipt of the written notice or request from the District) provide the District with a written statement setting forth the basis for any such disagreement. The District shall consider in good faith WGU's grounds for its disagreement. However, the decision to refuse to accept or to terminate shall remain the prerogative of the District

3.4. District Policies Provided. The District shall provide Teacher Candidates with any of the District policies and procedures to which Teacher Candidates are expected to adhere during Student Teaching Assignments and while on District premises.

WGU will retain ultimate responsibility for the evaluation of the Teacher Candidate.

4.5. Host Teacher Compensation. If District policies allow, WGU shall compensate either the District or the Host Teacher **\$150.00 per Teacher Candidate** for the Host Teacher services described in this Agreement. The District acknowledges that the issuance of such compensation directly to the Host Teacher will not render the Host Teacher an employee or agent of WGU and that WGU will not withhold or in any way be responsible for the payment of any federal, state or local income or occupational taxes, FICA taxes, unemployment compensation or workers' compensation, vacation pay, sick leave, retirement benefits or any other payments for or on behalf of the Host

Teacher. No Host Teacher compensation will be provided where a Teacher Candidate acts as 'Teacher-of-Record' within District.

4.6. Clinical Supervisor Compensation. If the Clinical Supervisors are employees of the District, WGU shall compensate either the District or the Clinical Supervisors **\$500.00 per Teacher Candidate** for Clinical Supervisor services. The District acknowledges that where District policies allow the issuance of such compensation directly to employee Clinical Supervisors, WGU may contract directly with those individuals for Clinical Supervisor Services.

4.7. Invoice Procedure. Within a reasonable time following the completion of any Student Teaching Assignment, the District or individual Host Teachers and Clinical Supervisors shall submit an invoice to WGU, which invoice shall specify the number of Teacher Candidates and the amount of compensation calculated at the rate provided in Articles 4.5 and 4.6 respectively. WGU shall pay the reimbursement directly to the Clinical Supervisor and Host Teacher within 30 days following the date the invoice is received.

4.8. Termination of Assignment. Upon receipt of a written notice from the District stating the reasons for the rejection or termination of a WGU Teacher Candidate, WGU shall promptly terminate the Teacher Candidate's assignment to the District. In the event a Student Teaching Assignment is terminated before completion, compensation for Host Teacher and Clinical Supervisor services shall be pro-rated to the number of weeks completed.

4.9. Background Check. WGU shall require each Teacher Candidate to submit to a complete background check, including criminal history, as a condition of Student Teaching. WGU shall attest to District that WGU has completed a background check for each Teacher Candidate, and shall not recommend a teacher candidate for Student Teaching who fails to meet the standards established by District for acceptable background.

4.10. Representations. WGU represents that all Teacher Candidates assigned to the District for Student Teaching are validly enrolled in an approved WGU credentialing program and meet the District's background requirements. WGU makes no other representation, express or implied, about, or assumes any responsibility for, the Teacher Candidate's fitness or qualification to participate in the Student Teaching Assignment. Nothing in this Agreement shall be construed as a delegation by the District to WGU of any of the District's duties and responsibilities for operation or supervision of the school or classes of the District.

4.11. Insurance.

a. WGU Insurance. WGU shall provide and maintain general commercial liability insurance acceptable to the District in the minimum amounts of one million dollars (\$1,000,000) combined single limit, and two million dollars (\$2,000,000) general aggregate and, upon request of the District, shall furnish proof thereof in the form of a certificate of insurance within 30 days of the effective date of this Agreement.

b. Professional Liability Insurance. WGU shall ensure that each Teacher Candidate, at their own expense, procures and maintains in force during the Student Teaching assignment, professional liability insurance in the amounts reasonably necessary to protect the Teacher Candidate against liability arising from any and all negligent acts or incidents caused by the Teacher Candidate. Coverage under such professional liability insurance shall not be less than one million dollars (\$1,000,000.00) for each occurrence and three million dollars (\$3,000,000.00) in the aggregate. WGU shall require each Teacher Candidate to provide evidence of his or her professional liability coverage to the District.

c. Workers' Compensation Insurance. WGU shall maintain at its sole expense workers' compensation insurance for participating Teacher Candidates.

d. District Insurance. Upon request, District shall provide evidence of general professional and commercial liability insurance in the minimum amounts of one million dollars

(\$1,000,000) combined single limit, and two million dollars (\$2,000,000) general aggregate. District shall also maintain and provide evidence of worker's compensation and disability coverage for each employee as required by law.

4.12. Indemnification.

a. WGU shall hold harmless, defend and indemnify District and its elected and appointed governing board members, officers, employees, and agents from any and all losses, demands, claims, damages (including costs and attorney's fees), or causes of action arising from any negligent or willful acts or omissions of WGU, its officers, employees, or Teacher Candidates incurred in the performance of this Agreement.

b. If District policies allow, the District shall hold harmless, defend and indemnify WGU and its officers, employees, and agents from any and all losses, demands, claims, damages (including costs and attorneys fees), or causes of action arising from the gross negligence or willful act of the District, its officers, employees or agents incurred in the performance of this Agreement, including the District's refusal to accept a Teacher Candidate to which WGU provided its timely written statement of disagreement, provided that the District is determined by any court or administrative agency of competent jurisdiction to have acted in an unlawful manner in refusing to accept the Teacher Candidate.

Article 5: General Provisions

5.1. Term. This Agreement shall commence on the Effective Date and shall continue until such time as either party gives the other party thirty days' written notice of its intent to terminate the Agreement, provided, however, that all Teacher Candidates receiving Student Teaching from the District as of the date of such notice shall be permitted to complete their Student Teaching Assignment.

5.2. Confidentiality of Educational Records.

a. Teacher Candidate Records. The District acknowledges that the education records of Teacher Candidates assigned to the District are protected by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. §1232g. The Parties agree to comply with the requirements of FERPA and its implementing regulations at 34 C.F.R. Part 99 and to protect the privacy of educational records concerning any Teacher Candidate assigned to the District under this Agreement. As a result of this Agreement, District shall be considered to be a "school official" of WGU and may transmit, share or disclose educational records without the Teacher Candidate's written consent, to other school officials of WGU who have a legitimate educational interest in the records. All other disclosures shall require the written consent of the affected Teacher Candidate and WGU.

b. District Student Records. Teacher Candidates and WGU employees shall not have access to, or have the right to review, any records of District's students, including medical records, except where authorized by the District in the regular course of Student Teaching. The discussion, transmission or narration in any form by Teacher Candidates or WGU employees of any District student information of a personal nature, medical or otherwise, obtained in the regular course of Student Teaching shall be forbidden, except as authorized by the District and not prohibited by law. The District shall not grant Teacher Candidates or WGU employees access to individually identifiable student information unless the affected student's parent or guardian has first given written consent using a form approved by District that complies with FERPA and other applicable law.

5.3. Non-Discrimination. Both parties agree to fully comply with all non-discrimination laws of the District's jurisdiction and of the United States. Both parties will accept, assign, supervise and evaluate qualified Teacher Candidates regardless of race, sex, color, religion or creed, national origin

or ancestry, age, disability, Vietnam-era veteran status, in accordance with the laws of the state and the United States. In addition, both parties agree to accept, assign, supervise, and evaluate qualified Teacher Candidates without regard for sexual orientation.

5.4. Notices. All notices, demands, or other communications given under this Agreement shall be in writing and sent to the address listed at the end of this Agreement (unless a party has changed its address by giving notice as provided in this paragraph), and will be effective upon receipt if delivered by personal or overnight delivery or facsimile, or effective five (5) days after being placed in the United States mail, postage pre-paid.

5.5. Arbitration. The parties agree that disputes arising hereunder shall be subject to arbitration pursuant to the rules of the American Arbitration Association and judgment upon the award may be entered in any court having jurisdiction thereof. All arbitration activities shall be conducted via telephone and/or video conference.

5.6. Entire Agreement and Severability. This Agreement contains the entire agreement between the parties relating to the transactions contemplated hereby, and all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written, are merged herein. No modification, waiver, amendment, discharge, or change to the Agreement shall be valid unless the same is in writing and signed by both parties. If a court or arbitrator holds any provision of the Agreement to be illegal, unenforceable, or invalid, the remaining provisions will not be affected. No Teacher Candidate or other third party shall be a beneficiary of, or have any right to enforce the terms of this Agreement.

5.7. General Provisions. This Agreement: (i) shall be binding and enforceable by the parties hereto and their respective legal representatives, successors, or assigns, (ii) may be executed in two or more counterparts including by facsimile or email copy, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.
